

The Great  
Playground Drop

 **LAPPSET**<sup>®</sup>

# The Great Playground Drop – A campaign by Lappset

Lappset proudly presents The Great Playground Drop – a curated selection of large, visually striking playground structures now available with exclusive discounts.

This campaign showcases standout pieces from some of our most iconic product families: Flora, Vertical Maze, Halo, and Finno – including both standard and customised designs.

What's your playground style? Do you prefer themed playgrounds that spark imagination, or modern, cubical structures that blend seamlessly into architectural environments?

# Architectural playgrounds – bold design meets active play

These playgrounds make a statement. Featuring minimalist forms, vertical structures, and clever use of space, this collection transforms urban settings into dynamic environments for play.

The Vertical Maze, Halo, and Finno product lines combine modern aesthetics with physical challenge, making them ideal for city parks, residential developments, and architect-driven projects.

Built from premium Nordic pine and metal, these structures are engineered for climbing, coordination, and full-body movement, blending beautifully into contemporary landscapes.

# Themed playgrounds – imaginative worlds built for play

Our themed playground equipment invites children into stories they help create – from enchanted forests to pirate adventures.

Every structure is rich in detail, designed to inspire roleplay, exploration, and social interaction.

This collection includes iconic designs from the Flora and Finno series as well as one-of-a-kind custom creations. Crafted from durable Nordic wood in Rovaniemi, each piece is built with safety, sustainability, and storytelling in mind.

Perfect for municipalities, schools, and destinations looking to create unforgettable play experiences that delight children and impress adults.
